PROFESSIONAL SUMMARY

Cooperative Master's program student in mathematical sciences specializing in Big Data and Data Science, with a strong foundation in Pure and Applied Mathematics. Experienced in Python for data collection, preprocessing, and exploratory data analysis, with practical experience applying machine learning methods to analyze complex datasets and generate actionable insights. Seeking opportunities to apply data science, machine learning and artificial intelligence to solve real-world problems.

EDUCATION

African Institute for Mathematical Sciences, Senegal

In progress

MS Big Data and Data Science

Thesis topic: Uncertainty-Aware and Explainable Machine Learning for Early Stroke Suspicion and Emergency Department Triage in Resource-Constrained African Hospitals.

Botswana International University of Science and Technology

Aug 2020 - May 2024

Bsc Pure and Applied Mathematics

Academic Project: Review of the Black-Scholes model in Option Pricing.

SKILLS AND COMPETENCES

Personal Strengths: Adaptable, Excellent communicator, Exceptional research skills, Team Player, Good organizational skills, Time Management.

Technical Skills: Python, Machine Learning, High Dimensional Data Analysis & Deep Learning (TensorFlow, PyTorch, Scikit-learn, CNNs, RNNs), SQL (SQLite, PostgreSQL), NoSQL (MongoDB), Web development and android, Microsoft Excel, Power Query etc

INDUSTRIAL EXPERIENCE

AI Engineering & Research intern

Jul. 2026 – present

AI4SENSE/SENSOR6TY, Senegal

- Contributed to applied AI and data-driven projects, supporting the development of intelligent solutions and gaining hands-on experience across research, analysis, and AI engineering.

Data Analytics intern

Jun. 2025 – Sep. 2025

Alpha Direct Insurance Company, Botswana

- Analyzed and interpreted large datasets and generated insights that helped improve operational efficiency and data-driven decision making in the company.

Finance and Risk & Compliance attache

May. 2023 – Jul. 2023

Botswana Insurance Fund Management, Botswana

- **Finance department:** Assisted the accountant with financial tasks including account payable and receivable tracking, bank reconciliation and tracking KYC documentation.
- **Risk and compliance department:** Supported compliance efforts accross departments and assisted in implemeting risk mitigation strategies.

TEACHING EXPERIENCE

Academic Tutor

Jul. 2024 – Jun. 2025

Dr Wada's tutorials, Botswana

- Coached and mentored IGCSE and BGCSE learners in Additional Mathematics, Mathematics and Physics.

- Developed and implemented personalized learning plans tailored to diverse learning styles and individual academic goals.

VOLUNTEERING EXPERIENCE

Publicity officer

Humanitarian Volunteers Network (HVN Biust)

- Assisted in fundraising activities to support indigent families in Palapye and surrounding areas.
- Collaborated with a team of tutors and mentors to provide regular tutorials in Maths and Science to students in a local high school.

Giveback Activities

AIMS - Senegal

- Clean-up in and around the Mbour Nursery.
- Visit and donations to Grand Mbour Hospital and Mbour penitentiary.
- Regular Mathematics and English tutorials to CEM GOUYE MOURIDE, College Saint Esprit and CEM Mbour Serere schools.

SCHOLARSHIPS

- Department of Tertiary Education Financing (DTEF)
- Mastercard Foundation Scholarship

ONLINE CERTIFICATES

- Introduction to Data Analysis using Microsoft Excel - Coursera
- Introduction to SQL - DataCamp
- Intermediate SQL - DataCamp
- Supervised machine learning: Regression and Classification - DeepLearning.AI
- Unsupervised Learning Recommenders Reinforcement learning - DeepLearning.AI
- Understanding Prompt Engineering - Data Camp
- Introduction to AI Agents - DataCamp
- Building Scalable Agentic Systems - DataCamp
- Building AI Agents with Google ADK - DataCamp
- AI Engineer Agentic Track: The Complete Agent & MCP Course - Udemy

LANGUAGES

- English: Official language
- Setswana: Native language
- French: Beginner
